Dear Art Enthusiast,

We are celebrating our 10th anniversary and we are asking you to join us by becoming a member! Over the past 10 years, we have accomplished much. Here are a few highlights:

- Presented over 50 visual art exhibitions.
- Brought over 4,500 visitors to Windsor Center including 300 to 400 visitors per exhibition over the past year.
- Exhibited the works of Windsor artists, Windsor High School and Loomis Chaffee students and teachers
- Presented the work of locally, regionally, nationally and internationally renowned artists, some of whose work is held in the permanent collections of major art institutions.
- Reflected in exhibitions and performances, the diverse cultures and ethnicities in our region and nation as well as those of Cuba, the Caribbean, Guyana, Southeast Asia, China, Europe, The Middle East and the British Isles.
- Presented the work of both men and women - some with disabilities – and ranging in age from youth through seniors working in a vast array of media: painting, collage, glass, textiles/fiber, print, sculpture, furniture, various installations, puppets and graffiti.

Through your membership, you will be supporting the continuation of provocative, diverse art exhibitions and programs that the Windsor Art Center offers to Windsor and this region.

This year we are presenting *Out in the Open: A Connecticut Plein Air Landscape Exhibition* featuring 7 renowned area artists with workshops and demonstrations. We will also have our always-popular *Members Show* and, in the fall, *SAQA, the Studio Art Quilt Associates* and the *Women Artist Collective*.

In addition to insuring wonderful programming, your membership entitles you to member benefits, including a 10% discount on all gift shop items, a discount on workshops and classes plus mailings and e-blasts to keep you informed. Businesses who become corporate members can extend these same benefits to all their employees.

Please join us in investing in the arts through your membership in the Windsor Art Center!

Warm regards,
